FOR IMMEDIATE RELEASE:

Emerson, NJ (July 26,2023) —gSource is proud to be a part of the New Jersey Adopt- A- Highway program. Adopt-A-Highway raises the public’s awareness to the increase in roadside trash and promotes safe, attractive, and litter-free roadways. With this partnership, gSource aims to support the citizens of New Jersey in making our community cleaner and a better place to live.

About Adopt-A-Highway

Adopt-A-Highway has been cleaning The Garden State’s roadways for over 30 years. This program provides businesses and individuals the opportunity to enhance New Jersey’s roadways by sponsoring the maintenance of segments of state highways, thus helping keep the planet green. Their mission is to reduce litter on state highways in an ongoing effort to improve the appearance of New Jersey’s landscape, protect the health and welfare of New Jersey residents, and promote a booming economy.

About gSource

gSource was founded in 1999 and is committed to putting the finest instruments into the hands of surgeons and their teams. Crafted from German surgical stainless steel, and recognized by their finely finished surface,gSource instruments are designed to perform with precise surgical function. They are also conceived to be affordable. It is this combination that distinguishes the gSource brand.

More than a source for quality instrumentation, gSource is an advocate for the orthopedic community. The company is relied upon to provide superior instrumentation for spinal and orthopedic procedures, and do so in a time-critical fashion. With the ability to create entirely new instruments in a timely and economical manner,and an inventory of over 4,800 patterns available for same day shipment, many world leaders and innovators in orthopedics and spine have found in gSource a trusted and reliable partner.
