For pricing on refurbishing instruments, see page 2.

Please note part number, instrument description and repair code on Order Form.

*Prices are subject to change based upon on-site evaluation by gSource Repair Department. Some repairs may require components which have additional charges. We will contact you for approval for a price change prior to repair.

To inquire about sharpening or repair of an instrument not listed on our price list, please contact us for a quote. Or, send us the instrument with an explanation of the requested repair on our Order Form. After evaluation by gSource Repair Department, a quote will be provided for your approval prior to repair.

Our default ship method is UPS Ground unless an alternate method is specified. For expedited shipment, please indicate on our Order Form and we will contact you with a quote for approval prior to shipping.
