Announcement as of 3/11/2021

Coronavirus COVID-19 Update

gSource continues to closely monitor the ongoing Coronavirus (COVID-19) Pandemic. Although the information regarding COVID-19 changes day by day, we continue to be dedicated to serving the needs of our stakeholders. gSource remains open and devoted to providing a safe working environment assuring all safety measures are taken.

At this time, we would like to thank all frontline essential workers for their selflessness and sacrifice. Our global community for coming together and facing COVID-19 with bravery and commitment to power through these challenging times. We are pleased to know that vaccinations are becoming more and more available over time.

Until further notice:

- All gSource-related domestic/international travel remains prohibited
- Travel advisory remains in affect as per local/state/federal guidelines
- gSource is welcoming visitors after approval of COVID-19 Declaration (VCD)
- gSource will not attend in-person trade shows and exhibits for 2021
- gSource employees are working on-site while maintaining gSource, local, state and federal COVID-19 related guidelines

Our warmest thoughts and best wishes for health and safety continue to be first priority.

Sincerely,
gSource Team
